

HANOVER VILLAGE BOARD OF PUBLIC AFFAIRS

DATE: 12/08/2021

Meeting Place: Licking Valley High School

Attendees: Mike Spaulding, Kelsey Gieseler

Guests: Joe Hickman

Topic: Regular Monthly Meeting

There are 50 customers in arrears for a total of \$5812.60.

The plant is running well. We met permit with no violations.

We have taken some extra measures to prepare for cold weather. The lift stations generators are due to be serviced this month.

We lost power to the plant and both lift stations causing the generators to have to run for a few hours. We had the diesel tank for the sewer plant filled.

The pipe that was broken by an excavation contractor at the Meadows street Condos has been repaired.

With no further business, the meeting was adjourned at 6:30 PM.
