Topic: Regular Monthly Meeting

There are 41 customers in arrears for a total of \$7671.00.

The plant is running well but still fighting solids and settling times. We are coming upon ECOLI season so the U.V. lights are ready.

A company bored into our main sewer line on East High Street. It is in the process of repair.

We got fuel for the Plant Generator as there have been several power outages.

With no further business, the meeting was adjourned at 6:30 PM.
